

THESE **3** THINGS

# St. Joseph's Indian School

We serve and teach, we receive and learn.

## COVID-19 RESPONSE - OUR STUDENTS AND FAMILIES

Students and families received three packages of schoolwork, care packages containing everything from crafts to hygiene supplies, three packages of books and food boxes to support them during these difficult days. We are carefully planning for and look forward to students' return.

## COVID-19 RESPONSE - OUR EMPLOYEES

St. Joseph's Indian School employees demonstrated why we call them our most valuable asset. Their adaptability to new working conditions, adjusted schedules and re-imagined work has been absolutely St. Joe Strong, and we salute them.

## COVID-19 RESPONSE - OUR COMMUNITIES

Outreach to the Chamberlain community and local reservation communities included spirit gifts and masks to health care workers and residents in nursing homes. In July, the Bookmobile will deliver more than 8,000 new and used books to reservation communities and urban locations.

More than 220 Native American students in 1st - 12th grades find opportunities to grow through our educational, counseling and residential programs. St. Joseph's Indian School transforms lives - mind, body, heart and spirit - every day.
