

# CHECK THIS OUT

Because we care about the safety of our students, their families and our staff, the following measures will be in place.

## 01

Campus will be closed with no regular student checkouts for the first 30 days for grades 2 through 8.

## 02

There will be limited off-campus travel for grade school students.

## 03

Should a family emergency arise, St. Joseph's Indian School will work with you. A thorough return process will be in place.

If you have questions or concerns, please contact your child's Family Service Counselor.

## 04

We know you will miss seeing each other. Skype. Facetime. Zoom. Family Service Counselors will help you set this up with your child.

## 05

Campus housing will be unavailable for the first semester. After that, there will be a reassessment.

## 06

After the first 30 days, we will re-assess. As soon as possible, a family visitation plan will be announced. This will likely involve screenings, temperature checks, outdoor visits when possible and pre-arrangement with Family Service Counselors.
