

HIGH SCHOOL SPECIFIC INFORMATION

The information on this page is specific to St. Joseph's High School homes and students who attend Chamberlain High School.

01

All Saint Joseph's Indian School staff will wear masks and perform daily screening protocols.

02

All students will social distance or wear masks on campus and during transport for the foreseeable future.

03

Chamberlain High School requires masks for their staff and requests and recommends that students wear masks at school. St. Joseph's Indian School expects students from our campus to mask at school. Chamberlain High School also recommends social distancing, practicing good hygiene and enhanced cleaning protocols.

03

Daily symptom and temperature checks will be done for High School students in their campus home each morning.

04

If a COVID-19-positive case occurs, the student will be moved to the Recovery Home and distance learning will commence when reasonable.

05

Chamberlain High School is moving forward with extracurricular activities.
