

CHECK THIS OUT

Updated December 15, 2020

Because we care about the safety of our students, their families and our staff, the following measures will be in place.

01

We strongly request that families refrain from checking students out for the first three weeks (through January 15) to support our efforts to limit virus spread.

02

There will be limited off-campus travel for grade school students the first three weeks.

03

Should a family emergency arise, St. Joseph's Indian School will work with you. A thorough return process will be in place.

If you have questions or concerns, please contact your child's Family Service Counselor.

04

We know you will miss seeing each other. Skype. Facetime. Zoom. Family Service Counselors will help you set this up with your child.

05

Campus housing will remain unavailable for the time being.
