# *Kateri Tekawitha Prayer*

*Great Spirit,*

Our Father! We remember our sister Kateri. She was one of us the people of this land, this earth.

It was You who led her to the woods and taught her the lessons of the cross.

It was You who comforted her and strengthened her along the sacred path with your sacred way.

Lead us to your love, feed and strengthen us along your sacred way.

Show us the way of Jesus, the way of Kateri, May it be our way as well!
