

ACTIVITIES AND VISITS

New August 1, 2021

The following measures will be in place after the first 14 days. If you have questions or concerns, please contact your child's Family Service Counselor.

- All can attend the playground before school.
- Separate school entrances are not needed per CDC guidelines.
- Separated lunch and recess not needed.
- We encourage sibling, family and cross-community visits are outdoors.
- During indoor family visits, unvaccinated people are to mask.

Inipi

- Vaccinated staff can pour, and all students can attend within their communities.

Visitors

- Signs on campus doors notify visitors that we are following CDC guidelines and unvaccinated visitors must mask.
*Exception: Check-in day all visitors are to mask regardless of vaccination status.
- Family visits can take place in the homes.

We will review plans regularly and adjust accordingly based on campus- spread, community-spread, CDC Guidelines and recommendations of the South Dakota Department of Health.

Mass and Prayer

- Resumes with students sitting in their home communities and masking if unvaccinated.
- Communion and Blessing will resume pre-COVID-19 manner.
- No choir at this time.
- No drum group at this time.

Team Sports

- May take place as usual pending opponent's COVID-19 status and protocols.
- Spectators will follow current CDC guidelines regarding social distancing, masking indoors if unvaccinated, and hand hygiene.

Off Campus

- Students will be allowed to go off-campus as usual following CDC Guidelines for masking.
