

THESE **3** THINGS

St. Joseph's Indian School

We serve and teach, we receive and learn.

You may have noticed that Human Resources is stepping out some new initiatives to step up employee relations and hiring. Here is an up-close look at the progress.

Is Anyone Walking In?

Every Thursday since July 7, bright yellow sandwich boards at strategic locations around town beckon people to drop in and apply for open positions.

Thiósšpaye Thursdays are bringing home the bacon. Twelve events (11 local, one in Sioux Falls) resulted in six new employees and a handful of pending hires.

What About Online Traffic?

Visits to "careers"/"work-with-us" pages on sjiskids.org have doubled year-over-year for the past 90-day period.

More than 154 individuals have applied in the past 90 days, many using our new, user-friendly online application, compared to 78 applications received in the same period last year.

... And When You Need Rejuvenating?

Don't forget the new Rejuvenation Station that opened on September 20 in Human Resources.

The Grand Opening was not a one-time event, but a reminder that St. Joseph's Indian School is committed to work-life balance for employees. We know you work best when you work balanced!
